Dear Prospective Scholarship Recipient and Family,

Thank you for your interest in the YWCA VT Camp Hochelaga Scholarship Program. YWCA VT Camp Hochelaga offers residential and day camp experiences for girls and young women as well as a Women's Retreat for adult women. YWCA VT Camp Hochelaga provides opportunities for girls and women of all ages to develop new skills, explore interests, and take on leadership roles. The goal of the YWCA Camp Hochelaga Scholarship Program is to make camp experiences available to girls and women who could not otherwise afford to attend.

Our scholarship program now aligns with the Income Eligibility Guidelines. Please consider the chart on the following page when applying for a scholarship. If your family falls outside of the income brackets listed but your camper would not be able to attend Camp Hochelaga without a scholarship, please complete an application. Eligibility Guidelines are intended as a suggestion. We understand that there can be many factors beyond income that impact a family's ability to fund a Camp Hochelaga experience. Please be sure to include all requested documentation below. Incomplete applications will be returned to you, which will delay processing of your application or make you ineligible if the session you requested is full. A complete application **must** include:

- A completed YWCA Vermont Camp Hochelaga on-line camp or program registration (register at ywcavt.org), indicating that you are applying for a scholarship (this does not guarantee that a scholarship will be awarded).
- Copy of your most current Federal Tax Return (Form 1040)
- Two most recent paystubs and/or verification of federal or state assistance received (SSI, SRS, ANFC, SNAP General Assistance, EBT, Read Up, Etc.)
- Deposit of \$50 that can be paid by check or credit card at the time of registration

Please note that YWCA Vermont Camp Hochelaga is not eligible to receive State of Vermont childcare subsidy.

There is a high demand for financial assistance and we strive to serve as many families as possible. For this reason, we do not fund 100% of any camper's total camp tuition. We also cannot fund an additional session if the camper is already attending a paid session. The amount of scholarship is awarded based upon availability of funds, income, family size, session availability, and need. When returning a completed scholarship application, a registration deposit is required to reserve a space.

Should you decline your scholarship offer, your deposit will be refunded to you. We are unable to apply a discount to any applications for financial assistance.

If you should have any questions about the scholarship process, please do not hesitate to call the office at 802-862-7520 or email contactus@ywcavt.org.

Best Wishes,

Hannah Bogard
