Dear YWCA VT and Camp Hochelega Community,

As 2017 draws to a close we are thankful for many things here at YWCA VT. We are grateful for our Board of Directors, dedicated Committees, the staff and the hundreds of volunteers who all believe in one common goal, eliminating racism and empowering women and girls. Through our beloved Camp Hochelega we are doing just that, empowering our young girls of today.

Thank you to our donors! Without you Camp Hochelega and YWCA VT would not be possible. Camp Hochelega remains one of the only all girls residential YWCA camps in the USA. We are proud to hold onto and grow this title for the next 100 years.

With your generous support through our End of Year appeal we have raised over \$29,782! This includes 5 new paddleboards, a new cabin roof, enough for 20 girls to go to camp through the Circle of Girls scholarship fund and general repairs for camp. Thank you to all who have given this year to YWCA VT Camp Hochelega.

There is still time to make your donation for the end of 2017. Please support Camp Hochelega and all great work that happens on the shores of Lake Champlain.

Peace and Joy to you this holiday season.

Sincerely,

Deb Jorschick
Executive Director, YWCA Vermont
