

What's with the Tiered Pricing Structure?

We are proud to say that our women's weekend retreat is priced significantly under the industry average, and are comparable to other retreat style programs. Our Tiered Pricing is intended to represent the true costs related to the experience, and allow individuals to select the level of payment most appropriate for their financial circumstances.

You may freely choose to participate at the Tier A, Tier B, or Tier C level. Every participant will receive the same retreat / camp experience regardless of the tier chosen.

How It Works:

TIER C: By choosing Tier C, you are ensuring that our camp ground and YWCA VT programs will be here for future generations. This rate will allow us to further develop our staff and programming, and perform upgrades, offer tuition assistance to women who may have obstacles, and maintenance to our facilities.

TIER B: This is the true cost of providing a weekend retreat at Camp Hochelaga, including program costs, materials, food, staffing, goodies and more...

TIER A: At this level, registration is partially subsidized by generous donations and or/ grants. If the price of Women's Weekend still out of reach? Please call us directly at 802-862-7520 and speak to us about our tuition assistance funding. We want all women to be able to access this retreat regardless of their financial limitations. Do not hesitate to contact us!

PLEASE NOTE: The choice of tiers is entirely yours, and in no way influences your retreat / camp experience. All food, non-alcoholic beverages, goodies and most activities / workshops are included in the registration cost. You may want to bring some spending cash or credit card for camp store purchases, or additional self-care add-on's.

Deposit of \$50.00 is due upon registration. You can register on-line or call our offices. Full payment is due 2 weeks prior to the weekend. Check or Credit Card are all forms of payment that are accepted. Refunds: Please note that a non-refundable deposit of \$50 for Women's Weekend is due at the time of registration to hold your spot. If you find that you are unable to attend the weekend within 2 weeks of weekend, all payments made will be forfeited.
